### PRESS RELEASE: NOVA SCOTIA SPCA RECEIVES GRANT OF MORE THAN \$50,000 FROM PETSMART CHARITIES® OF CANADA TO SUPPORT SUBSIDIZED SPAY/NEUTER SURGERIES ACROSS THE PROVINCE

**January 10, 2019 (Dartmouth, Nova Scotia)** – The Nova Scotia SPCA has been awarded a \$53,831 grant from PetSmart Charities of Canada to help provide subsidized spay/neuter surgeries for the pets of low-income families throughout Nova Scotia. Surgeries will be conducted at SPCA Animal Hospitals in Dartmouth, Yarmouth and Sydney, Cape Breton and start immediately until the goal is achieved. Transportation assistance is available from designated pick up spots to ensure this opportunity is available to residents across the province.

Spaying/neutering your pet is one of the most important things you can do to ensure you and your pet will live a long happy life together. Intact pets can display unpleasant behaviours such as spraying, constant heat cycles, and overwhelming numbers of unplanned litters. Spaying/neutering is the most effective and humane means of reducing the number of homeless animals. Many loving pet owners desperately want to be able to offer their beloved pet this important surgery, yet unfortunately due to the financial circumstances, they may not have been able to do so without this subsidy.

“We are extremely appreciative of the support from PetSmart Charities of Canada which will help hundreds of families in serious need” says Elizabeth Murphy, CEO of the Nova Scotia SPCA. “Unfixed animals are at a higher risk of running away, being surrendered, abandoned, or worse. Pets will be able to live happier, healthier lives while also preventing further pet overpopulation in our province.”

“PetSmart Charities of Canada is pleased to provide funding that makes veterinary care and spay/neuter procedures more accessible and affordable to eligible pet parents across Nova Scotia,” says Dani LaGiglia, regional relationship manager at the leading funder of animal welfare. “Together with pet parents in the province and under the expert guidance and care of the Nova Scotia SPCA, these spay/neuter procedures will not only help the individual pets they are provided to, but they will also help to reduce pet homelessness in Eastern Canada”

Thanks to PetSmart Charities of Canada’s past support of the Nova Scotia SPCA, each subsidized spay/neuter procedure will include a complimentary microchip and basic vaccines at no extra charge. The Nova Scotia SPCA hopes that this low-income spay/neuter program will not only help animals and families in need, but the community at large. Owners requiring spay/neuter assistance are invited to apply now online at: [www.novascotiaspca.ca/fixmypet](http://www.novascotiaspca.ca/fixmypet)
