About the Nova Scotia SPCA

Proudly following no-kill principles, the Nova Scotia SPCA is a registered charity that helps companion animals in need. Every year, approximately 15,000 pets are helped through animal rescue, progressive programs, and rehoming opportunities. They do not receive any government funding for their shelters, so the SPCA relies on community support to help care for local pets in need. To learn more visit www.novascotiaspca.ca.
